DAILY STAFF MEETING

4 June 1952

Present: Walter Reid Wolf

Lawrence R. Houston

B. R. Saunders

L. S. Thompson

Matthew Baird

Absent: L. K. White

1. Mr. Wolf held a conference with Admiral Miller of NCFE, looking toward the development of a firm understanding on NCFE principles in regard to operations and finances. These principles will be resolved prior to 19 June.

2. Mr. Wolf quoted from a letter to the Director from General Truscott which seriously questioned our policy on the accrual on home leave for overseas employees. Mr. Wolf asked Mr. Houston to work up the answer to this letter so that General Truscott would receive the answer prior to Mr. Wolf's

3. Colonel Baird brought up an example of the lack of coordination in the employment of border line personnel among Medical, Security, Training, and Personnel Divisions. Mr. Wolf directed Colonel Baird to take the situation in hand and arrange for a procedure which would necessitate the coordination in personnel of the various interested Divisions to the end that prospective employees with dubious qualifications shall not be actually employed.
